**HISTORY/FACTS/ISSUES:**

Upon board approval Sumter County Public Works/Parks Department will enter into an agreement with the Grand Masters Dragon Boat Club of The Villages, Inc. (GMDBC) that will allow the club to store one boat at this time along side the access dock at Lake Miona Park. The club will be responsible for maintaining insurance that meets Sumter Counties policies and will not hold Sumter County responsible for any vandalism or theft of the boat.

1. The GMDBC will store one dragon boat at Lake Miona Park, for an interim period of one year, with a one year renewal option, unless the permanent storage shed agreement is approved by the Board of County Commissioners and the shed is installed sooner.
  2. The GMDBC will be responsible for removing the boat from the water at the end of each day and locking it to the wooden access dock next to the boat ramp.
  3. The location of the boat will not disrupt ramp activities of other parties in any way.
  4. The GMDBC will not hold Sumter County liable (hold harmless) for any damage to the boat, paddles or any other paraphernalia associated with the GMDBC.
  5. The GMDBC will carry sufficient insurance per our Risk Management procedures (see attached) to cover injuries to any party injured in any way by the boat or activities involving the boat, paraphernalia, whether members of the GMDBC or not, or any damages to any other property.
  6. The GMDBC understands that the hours of operations for Lake Miona Park are Dawn to Dusk and will conduct their activities only during those hours.
  7. The GMDBC will clean up after their activities and will repair any damage they cause to the beach, ramp, or other areas of the Lake Miona Park, attributable to the interim storage of their boat at the park.
  8. Effective date will be 8, November 2011
